

Ms. Melissa's Snack Policy

Snack is provided for your child daily during our morning work period. In order for this to work, I ask that each family contribute to our class snack area for at least one week.

Each family should bring enough items to share during your designated week to last the entire week. This should include paper products to serve the snack on (if necessary). If you bring a food item in a container, please make sure to label it with your family's name. It is helpful to have fruits and veggies washed and/or cut-up ahead of time. Individual servings of items (like snack packs) are acceptable.

Please refer to the list below for what to bring/not to bring. The list below is not complete, but should give you an idea of what we are looking for.

We Enjoy*:

- Crackers (any kind)
- Muffins
- Pretzels
- Rice Cakes
- Popcorn or Pirate's Booty
- String Cheese
- Cut-up cheese

- Fresh Vegetables
- Hummus

*Special treats are welcome for birthday celebrations and class parties.
